The Ashley Marie Abraham Scholarship was established in loving memory of Ashley Marie who attended Oshkosh West High School. After a courageous battle with cancer, Ashley earned her eternal wings in 2003.

Ashley was someone who brought life, love and energy to everyone and everything she touched. She particularly enjoyed swimming on the Junior Varsity High School and the YMCA swim team. She was not a “champion” swimmer – but, she was a true champion for the Leukemia Lymphoma Society, Make a Wish Foundation, the Ronald McDonald House and other non-profit charities. Ashley understood making a difference in one’s life.

She also knew the importance that education plays in being successful and was looking forward to attending a university. Her educational aspirations revolved around pursuing a career in the medical field. Ashley’s family chose to honor her spirit by financially assisting others in making miracles in this field come true.
