Girls' Grantmaking Project 2019

Girls from Neenah, Menasha, and St. Mary Catholic high schools met for a two-day leadership training, community education and grantmaking program. Through facilitated discussion, the girls identified issues important to them and their peers, and ultimately agreed that access and opportunities for post-secondary education was a priority issue they wished to address. At the end of the program, they awarded \$10,000 in grants to the following programs:

Scholars on Target to Achieve Results

This program is an academic engagement intervention program for middle & high school Black/African American students in the

Appleton and Menasha school districts. Full-time opportunity coordinators serve as advocates, mentors, connectors and guides with a goal of closing the gap in high school graduation rates.

Life Tools Foundation - \$2,500

Shoulders to Stand On

This program provides exceptional one-on-one tutoring for students from economically disadvantaged families to

maximize their learning potential and confidently pursue their educational and personal goals.

Fox Valley Technical College Foundation - \$2,500

You Mean, I Can Go To College?

This program helps female students at risk of not graduating from high school change their mindset about education, complete their high school

diploma and removes barriers to enrollment in higher education coursework.
