

GIRL-POWERED GIVING

Where girls learn to embrace their power to change the world and become the next generation of thoughtful and effective givers.

We are gathering a group of high school girls from throughout the Fox Cities to participate in 5 days of leadership training, community service, and philanthropy education focused on making a positive difference for girls within their community.

LEARNING BY GIVING

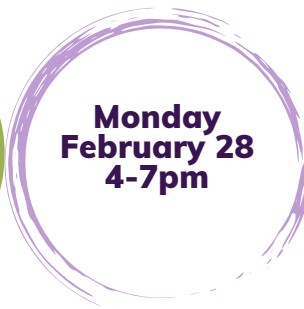

During the program, you will engage in hands-on giving through strategic grantmaking and volunteerism. You will explore social causes, evaluate and serve local nonprofit organizations, learn to advocate for causes you care about, and direct \$10,000 in grant funding to address the needs of other girls in the Fox Valley. That's right - YOU get to decide how to use \$10,000 to help your peers.

HEY GIRLS - WE NEED YOUR HELP!

The Women's Fund for the Fox Valley Region is a local nonprofit organization on a mission to improve the lives of women and girls in our community. We work to support women and girls by creating awareness of the issues, educating the community on needs, and funding programs that will affect positive social change.

We want to better understand issues impacting high school-age girls and no one knows better than you. We need your help to understand what is important to you and other girls your age, what problems girls face, and what we can do together to help improve the lives of all girls in our community.

We are looking for a diverse group of girls who want to make positive change, will honestly share their thoughts and experiences and will respect the opinions of others. If this sounds like you, we would love to meet you.

GIRL-POWERED GIVING

During the program you will:

- *Meet and work with girls from other schools
- *Identify and enhance your own leadership skills
- *Raise awareness of issues important to you and your peers
- *Participate in a group community service project
- *Lead a grantmaking process and award \$10,000 to a nonprofit
- *Make a positive difference for girls in your community

Supported by the Ethel Keller Fund for Women, a fund within the Women's Fund for the Fox Valley Region.
