

BECOMING OUR

Hey Bestie! Are you a young female professional with a passion for giving back? Get in on the action with The Women's Fund for the Fox Valley Region's B.F.F. (Brighter Female Futures) crew! Being a B.F.F. is all about creating a strong sisterhood of young philanthropists who are determined to make a real impact to advance women and girls in our community.

B.F.F.

When you're a B.F.F., you're in for a unique ride. It's a chance to be a part of something bigger - connecting with fellow changemakers who also want to make a difference, rolling up our sleeves to give back to our community through volunteering, and growing your awareness of issues facing women and girls in our community.

To join B.F.F.'s, we ask for a minimum one-year investment of just \$240 (or more if you're feeling extra generous) - and you can split it up however suits your vibe.
